ACCELEWRITING® PROCESS FOR SAGE TERM LIFE

Sagicor's Accelewriting® process for Sage Term is available for applications up to \$1,000,000, subject to age limits.

On face amounts greater than \$500,000 ONLY, we will offer automated underwriting, with the opportunity for a decision in minutes, on Preferred Plus, Preferred and Standard classes (non-tobacco and tobacco). Substandard risks (Rated and Rated 2) will be reviewed by underwriting and will not receive an immediate decision. After review, the underwriter will work with you and advise you of what additional requirements, if any, will be needed to make an offer.

On face amounts less than \$500,000, automated underwriting with a decision in minutes, is available on Preferred Plus. Preferred, Standard and Rated classes. Rated 2 is not available.

Accelewriting® uses consumer reports such as pharmaceutical databases, MIB, MVR, public records and credit file information to make an underwriting decision.

FINANCIAL UNDERWRITING

Business Coverage - Please provide details such as business valuation, percentage of ownership, number of owners, loan information, etc. to help explain the purpose of coverage.

Income Replacement - See income factor table below. Income factors shown can be subject to underwriting discretion.

Income Factor				
Under 45	20x			
46-55	15x			
56-60	10x			
61-65	5x			

Non-Working Spouse - We may allow equal coverage of the working spouse, up to \$1,000,000. Please provide total coverage on working spouse.

NON-MEDICAL RISKS

Criminal History - Applicants must be off probation or parole for over 12 months and not have any pending charges to be considered.

Foreign Travel (subject to state law) - We will consider applicants traveling to foreign countries, but certain restrictions apply. Purpose of travel, duration and destination will be required.

Residency - We will consider U.S. citizens and U.S. permanent residents for coverage. If the applicant is a permanent resident, the alien registration number (USCIS number, A number) must be provided.

THE 7 STEPS OF ACCELEWRITING®

STEP 1

VERIFY THE PROPOSED INSURED IS ELIGIBLE FOR ACCELEWRITING® BY ASKING THEM THE FOLLOWING QUESTIONS FROM THE eAPPLICATION:

STEP 4

RUN THE ILLUSTRATION

- 1. Log on to the Producer Portal from the Sagicor website (SagicorLifeUSA.com).
- 2. Launch our Illustration Software by selecting Account Home.

 Then click on the bar that says "Run Sagicor Life Illustration Software Online."
- 3. Click on "Start Illustration Tab", enter information and run the illustration.
- 4. Save the illustration.
- 5. Select "Application" to complete the eApplication.

Note:

- (1) Run the illustration for the state in which the client will sign the eApplication. This will help ensure that the correct forms, coverage, rates, etc. are used and helps eliminate delays in processing.
- (2) The online version of the Illustration Software must be used with the eApplication.
- (3) The illustration must be saved before you enter the eApplication.
- (4) Information entered in the illustration cannot be altered during the eApplication including the premium mode selected.

See 'Detailed Instructions for Running an Illustration' on the Producer Portal for further information.

STEP 5

COMPLETE THE eAPPLICATION

- 1. Click on "Application" and then "Create Application."
- 2. Complete the steps below for the eApplication:
 - a. Form Entry If the selected payment mode is EFT, commissions will be paid sooner if we are instructed to draft the initial premium (Section 7C of the eApplication).
 - 1. If the client wishes to pay premium monthly, EFT is the only payment mode option available.
 - 2. If the client wishes to pay premium quarterly, semi-annually and annually the initial premium payment can be paid by credit card if the eDelivery option is selected. Maximum premium acceptable via credit card is \$2,500. Premiums in excess of \$2,500 or if the eDelivery option is declined the premium payment must be paid via EFT or check.
 - b. Client and Producer Signatures.

STEP 6

UNDERWRITING DECISION

- 1. As part of the Accelewriting® process, identification information such as name, address, date of birth, driver's license/ID and social security number will be verified. If verified, the eApplication is submitted immediately via Accelewriting®. If not verified, the eApplication will be reviewed and any identification discrepancies will need to be addressed before it can go through Accelewriting®. Sagicor will contact you, as needed.
- 2. Once submitted through Accelewriting®, the decision comes back to you electronically in minutes (1-2 minutes on average). If you are still in the Sagicor software you will see a message pop up on your screen. If you have closed the software, there will be a message for you in the 'Message Center' (upper right-hand corner of your illustration screen) and in the Application History Section when you return.
- 3. The possible automated underwriting decisions for amounts of \$500,000 or less:
 - Approved Preferred Plus Non-Tobacco
 - Approved Preferred Plus Tobacco
 - Approved Preferred Non-Tobacco
 - Approved Preferred Tobacco
 - Approved Standard Non-Tobacco
 - Approved Standard Tobacco
 - Approved Rated Non-Tobacco
 - Referred to Underwriting (for additional consideration)
 - Declined
- 4. The possible automated underwriting decisions for amounts above \$500,001 to \$1,000,000:
 - Approved Preferred Plus Non-Tobacco
 - Approved Preferred Plus Tobacco
 - Approved Preferred Non-Tobacco
 - Approved Preferred Tobacco
 - Approved Standard Non-Tobacco
 - Approved Standard Tobacco
 - Referred to Underwriting (for additional consideration)
 - Declined

Referred to Underwriting could result in any of the above underwriting decisions, plus Rated and Rated 2 Non-Tobacco and Tobacco.

STEP 7

POLICY DELIVERY AND COMMISSION PAYMENT

- A. If Client opts for policy eDelivery at time of eApplication and **no requirements are needed,** the following steps will occur:
 - a. Sagicor delivers a policy link via email to the producer and client.
 - b. Client electronically accepts policy and submits the initial premium payment.
 - c. Sagicor settles policy and pays commissions electronically.
- B. If Client opts out of policy eDelivery at the time of eApplication, the following steps will occur:
 - a. Sagicor mails the policy, including any requirements, to the producer.
 - b. Producer delivers the policy to owner and gets any delivery requirements signed.
 - c. Producer signs any delivery requirements.
 - d. Producer sends all delivery requirements to Sagicor.
 - e. Sagicor settles the policy and pays commissions electronically.

Sagicor's eDelivery provides an instant electronic policy delivery to your client at policy issue and lets you monitor the entire process through the Agent DocFast Center dashboard. eDelivery is only available with Accelewriting® (not available with fully underwritten eApplications) and is an optional feature at no additional charge.

FREQUENTLY ASKED QUESTIONS

Is there a telephone interview?

No. Your initial questions and the expanded eApplication pages allow our Accelewriting® automated rules engine to gather needed information without a vendor telephone interview.

Does my client need an email address?

Yes, the client must have a valid email address in order to submit an eApplication.

Can I use a tablet?

Yes, the eApplication process that utilizes Accelewriting® is fully tablet compatible and both you and your client can sign the application directly on the tablet.

Will I need to enter my client's information more than once as I complete the illustration and eApplication?

No. All information entered into the illustration system is electronically entered in the eApplication which reduces the need for duplicate data entry. Once the illustration is saved, approximately 77% of the eApplication is complete.

Can an eApplication be entered without first completing an illustration?

No. Illustration must be completed and saved before the eApplication can be started.

Can you alter information on the eApplication without changing the illustration?

No. Any information that has been pre-filled in the eApplication, from the illustration, cannot be changed without going back to the illustration and rerunning it. This includes the premium payment mode.

What can slow down processing and the underwriting decision on Accelewriting®?

Inaccurate information. Be sure the data input is accurate including identification information such as name, address, date of birth, driver's license/ID, social security number, etc.; these items must be accurate. Certain errors (i.e. incorrect states, wrong producer number) stop the process and require manual input by you or us. Make sure your producer license and appointment information is up to date before you submit the eApplication. This will cause delays.

What else can slow down the process?

When you select the EFT payment option, if the answer to 'Draft Initial Premium' is NO, we will not be able to settle the policy until we have approval. Note: we will never draft for more than the premium amount on the application without client approval.

How is the effective date determined?

- The effective date will be the underwriting approval date. If approved by underwriting on the 29th, 30th or 31st the effective date will be the 1st of the following month and will be issued on that date.
- If a specific draft date is selected, the effective date will be the specific day date requested by the owner and the policy will be issued on that date.

Will Sagicor date to save age?

Yes, if requested on the application and subject to underwriting approval.

Who signs for a minor?

When the insured is a minor, the parent of the minor must sign on behalf of the insured. The parent must sign their name, not the minor's name.

Can the policy be received and delivery requirement be signed by the owner/insured in a state different from the application state?

Yes, provided the writing producer is licensed and appointed with Sagicor in that state.

Will I receive an underwriting decision in 1 - 2 minutes if the owner is other than insured?

You can submit the application vie eApplication and utilize the Accelewriting® process, but if the owner is other than insured, the application will be Referred to Underwriting to confirm insurable interest. You should receive a response from underwriting in 24 - 48 hours. eDelivery will be available, unless the medical amendments for insured signature are needed at delivery.

How should insured, owner, payor names be indicated on the application?

Always use the complete legal name as it appears on their government issued photo ID, including any suffix such as Jr., Sr., etc. to avoid additional requirements and delays in processing.

Can my client pay by credit card?

Yes. The initial premium can be paid by credit card through the eDelivery process only when Quarterly, Semi-Annual and Annual DIRECT PAY modes are chosen. Maximum premium acceptable via credit card is \$2,500. Premiums in excess of \$2,500 must be paid via EFT or check.

Which state should I use to run the illustration for a client?

The state where the client will sign the eApplication should be used for both the illustration and the eApplication. You need to be licensed and appointed by Sagicor in that state or we will not be able to complete the application process.

What happens if the client selects 'Decline eSignature'?

If the client declines to eSign, they cannot continue with the application process and the application will not be submitted to Sagicor.

How will I know if the client has signed all the documents?

When the client has reviewed and signed all documents, you will receive a message in your 'Message Center' located in the Illustration System and an email at your email address on file with us.

What happens if the client cannot open the email?

We suggest you resend the email. If the client still cannot open the email, there may be an issue with the software. If it cannot be resolved, contact the Producer Resource Center for assistance.

What happens if my client finds that the completed and signed eApplication needs changes?

The eApplication can be unlocked and changed prior to submission. Once completed, signed and submitted, we cannot go back and change it. Please make sure you communicate any corrections or changes immediately to New Business at NewBusiness@SagicorLifeUSA.com.

What happens if my client was Referred to Underwriting (RTU)?

The file will be reviewed by an underwriter. For face amounts \$500,000 and lower, an underwriter will contact the producer for additional information in an attempt to make a decision. For amounts \$500,001 and greater, an underwriter will reach out to the producer and advise of any requirements needed to make a decision.

What can I do if a client is declined?

Please contact underwriting to determine if your client qualifies for other fully underwritten products offered by Sagicor.

How are consumer reports used with the Accelewriting® process?

Because our underwriting decision will be based, in whole or in part, on one or more consumer reports regarding the applicant, we are required to inform the applicant of where we obtain this information. The consumer reporting agencies do not make the underwriting decision for the applicant's policy.

The Disclosure Notice to Proposed Insured is included in the eApplication. Sagicor, or its reinsurers, may also release information to other insurance companies to whom the applicant may apply for life or health insurance or to whom a claim for benefits may be submitted.

The applicant may obtain a free consumer report by requesting it directly from that agency within 60 days of the application. Further, the applicant has the right to dispute directly with the consumer reporting agency the accuracy or completeness of any information provided by that consumer reporting agency.

What if my client has a dispute regarding information provided by the Medical Information Bureau, Motor Vehicle Records, Consumer Report or Pharmaceutical Databases?

Should your client have a dispute regarding these reports, they may contact these agencies directly.
