If your agent does not see you in person at the time of application, a representative will call you for a brief telephone interview after the application is received by the Company.

This policy is not intended for individuals who are terminally ill, abuse intravenous drugs, or are confined at home or confined to an assisted living facility, hospital, hospice, clinic, nursing home or convalescent home.

The policy pays a return of premiums plus 6% interest for non-accidental death within the first three years.

The full face amount benefit is payable for accidental death in any year or for death by any cause after the three-year graded benefit period (provided premiums are paid).
